15 December 2020

COVID 19 Latest Guidelines and Regulations.

The Department of Health published version 6 of the Guidelines for symptom monitoring and management of workers for SARS-CoV-2 infection on 12th December 2020.

In this version the list of symptoms was aligned. Headaches has been added to the symptom sheet for completeness. The Symptom Monitoring sheet has been modified. The documentation is attached hereto.

In addition, the Amended Regulations No 1345 in terms of the Disaster Management Act, 2002, dated 15 December 2020 is included for your information.

Kind regards

GERHARD NEETHLING
GENERAL MANAGER
