BACKGROUND / AGTERGROND

The Red Meat Abattoir Association (RMAA) was founded in February 1991 as an independent membership-based organization. Prior to the 1994 deregulation process, the abattoir industry comprised mainly of larger high throughput abattoirs. The deregulation process accomplished an increase in the number of abattoirs to over 500. These events led to the need for current up to date price information. The RMAA therefore initiated the price information system with a database of historical and current price information.

Die Roivleisabattoirvereniging is in Februarie 1991 as 'n onafhanklike lede-organisasie gestig. Voor die deregulasieproses in 1994 het die abattoirindustrie hoofsaaklik uit 'n aantal hoë deurset abattoirs bestaan. Na deregulasie het die aantal abattoirs aansienlik gestyg aangesien daar landswyd talle kleiner abattoirs opgerig is. Hierdie gebeure het gelei tot 'n behoefte aan korrekte en intydse prysinligting. Die RVAV het die prysinligtingstelsel ontwikkel en historiese en resente inligting word in die databasis gestoor.

PURPOSE OF PRICE INFORMATION SYSTEM / DOEL VAN DIE PRYSINLIGTINGSTELSEL

The RMAA strives to create and maintain an information system containing relevant and historical data essential for planning and development purposes. The primary objective is to timeously release accurate and valid information to the benefit of the South African abattoirs industry. **It is important to ensure a fair representation of the information. The RMAA therefore requests that you, the abattoir owner, commit to submitting your price information as per the procedure described below.**

Die Roivleisabattoirvereniging streef daarna om 'n databasis van historiese en huidige pryse te implementeer en te onderhou, wat noodsaaklik is vir beplanning- en ontwikkelingsdoeleindes. Die primêre doelstelling is om intyds akkurate en relevante inligting beskikbaar te stel wat tot voordeel van die abattoir industrie kan dien. Die regverdige verteenwoordiging van die inligting is uiters belangrik. Die RVAV versoek dus dat u die abattoireienaar, instem om u prysinligting beskikbaar te stel soos uiteengesit in die prosedure hieronder.

COSTS / KOSTE

The price information report is released once a week. All participating abattoirs will receive a report, free of charge. A fee determined from time to time, is payable by non-participating abattoirs and all subscribers.
